GETTING AROUND

GALLERY HOP

Gallery Hop is a 27 year tradition and occurs every first Saturday of each month. Thousands of visitors converge on the strip to see new art exhibits and add to their growing collections. Gallery Hop officially starts at 4PM and runs to 10PM with restaurants and bars staying open considerably later. On a typical Hop, over 40 galleries and non-traditional art venues (think restaurants, boutiques, and salons) spotlight the best of established and emerging Ohio-based artists. They also feature the works of nationally and internationally acclaimed artists. **To see the feature exhibits please visit ShortNorth.org**

On the streets... performers settle into the many nooks of the District to entertain the throngs of Short North fans. Saxophonists, singers, improvisational dance troupes, even stilt walkers and stage characters add to the unforgettable experience. You will also find vendors selling their hand-crafted one-of-a-kind items along High Street from Goodale Street to 5th Ave.

PARKING 101

THE ARCHES

While in the Short North, you'll notice the 17 signature arches spanning the district's mile-long core. Installed in 2002, the arches echo their 1888 predecessors and a time when Columbus was heralded as the "City of Arches."
